- White vehicles with the OSI logo in color (as with the standard stickers, excluding project or anniversary stickers).
- Basic clothing items (hats, bandanas, pants...) in light beige, with an embroidered color logo (like the bandana and cap used in the past).
- Outerwear (fleece jackets, waterproof jackets...) in anthracite gray, with the logo as follows:
  - Chest: color embroidered on fleece, printed on waterproof jackets (no embroidery to preserve waterproofing).
  - Back: white outline (same logo as the watermark on osi-photos or engraved on the magnifying glass), large, embroidered on fleece, printed on waterproof jackets.
- Standard OSI goodies: white items with a flat color logo (e.g., white mug).
- Variations of OSI goodies: item in one of the OSI colors with a logo in white outline on the colored item (e.g., blue water bottle with white-outlined logo) or logo engraved on metal (e.g., USB drives).
