Graphic Design

- Act Yourself - Resources Center - Services - Service Counters - Publication & Communication -

Publication date: Saturday 24 February 2018

Copyright © Objectif Sciences International - All rights reserved

This page is where you can reach out to OSI's Collaborative Resource Center for assistance with your graphic creations (Posters and Flyers, Book Covers, Template Layouts for educational sheets that you'll replicate, etc.).

- If you wish to create your graphic item yourself, use the Community of Practice forum found at this link [Graphisme, Créativité, Infographie, Logiciels](#).
- If you would like to contact a service provider from the OSI platform (an OSI Constituent Member) offering graphic design services, you may reach out directly to them (PROG DEV, PROG PEDA...).

Note:

[Bon à Tirer - Les règles à observer par tous](#)

To request the creation of a POSTER, please use this specific interface:

[Créer une Affiche/Flyer/Fond de Stand pour un Séjour/Programme/Collection de Séjours](#)

For any other design requests, post your requests on this page to receive support from the Resource Center.
