Reference Corpus of the NGO Teams' Position Statements

In-depth work has been continuously carried out since the founding of the NGO (1992) and every year to keep its Educational Charter (Educational Project) up to date.

You can view the OSI Educational Charter at the following link:

<http://www.vacances-scientifiques.com/Charte-educative-Projet-educatif.html>

[<http://www.vacances-scientifiques.com/Charte-educative-Projet-educatif.html>]

This work is done collectively with everyone involved in the Participatory Science and Citizen Science actions of Objectif Sciences International, within the framework of annual meetings in each local group of the NGO.

To understand how all stakeholders are involved, you can visit this page:
